Ask About Our Chocolate Fountains

To Café Ala Carte,

*Over the years, we take our vendor relationships for granted. In May we utilized your company for two very special client functions. Our clients, as well as our crew, were extremely satisfied with the professional quality and service we were provided.*

*We are extremely fortunate to have you as our exclusive vendor for cappuccino and espresso service.*

*Keep up the excellent standards that we appreciate receiving from everybody at your company.*

Warmest regards,  
P.F., President  
Gourmet Caterer

To Café Ala Carte,

*You have given a new definition to coffee service as far as I am concerned. Servicing 2,400 guests for breakfast, lunch and dinner and late night reception for six consecutive days is no easy task, which you have done to an art! My clients mentioned how happy you guys were at 7:00 a.m. and still the same spirit at 11:00 p.m. I realize these were very long hours of pure coffee enjoyment for our clients and attendees. This is why they have asked to have you back every time they have their conventions or meetings here with us. Being in the hospitality industry for so many years has allowed me to come in contact with an array of vendors, some good, some not so good. I want you to know that you do not fall in any of these two categories, you are certainly above in a class act all by yourselves.*

Respectfully,  
N.C.  
Director of Catering  
5 Star Hotel
